

Report of Delegate to Fairs Convention Held at Edmonton

The Directors of the Agricultural Society held a meeting on Saturday, for the purpose of revising the Prize List for the Fair to be held on August 9th and 10th. Several important changes were made. Principal among the changes being a new class for Registered Stallions, of three years old, and the class for aged stallions will now read four years and over. A new class was also made for three year old fillies, in Registered and grade classes, the mare and gelding class will now read four years and over. Teams in harness may now consist of registered or grade, or one of each in the team. The prizes for registered bulls and cows have been increased, and a new class added for a dairy herd, consisting of a registered bull and three grade cows. Another feature of this year's fair is, there will be no charge for cars at the gate, but all cars will be parked on ground set aside for the purpose. Another privilege granted, will be that membership tickets will admit to the grounds on both days, and also to the grandstand for races and attractions. The Secretary who was the delegate to the Fairs Convention at Edmonton gave his report of the convention, which was as follows:

February 27th and 28th 1924
To the Directors and Members of the Macleod Agricultural Society, Gentlemen:

As your Representative Delegate to the Fairs Convention held at Edmonton on February 27th and 28th, I beg to report the proceedings as follows:

Between 70 and 80 Delegates were present, the smallest number for many years, owing no doubt to the reduction of the Government Grant to the Association, and also to the number of Societies which did not hold a Fair last year.

The President Mr. Rufus Cates, Oyen, opened the Convention with a few remarks, then called on Mr. P. W. Abbott President of the Edmonton Fair Association, who gave a short address of welcome to the Delegates. Mayor K. A. Blatchford of Edmonton Officially extended a welcome to the Delegates. He outlined the conditions pertaining to Edmonton today, and dealt with figures respecting the City's Street Railways, Manufactures, and Resources generally. He also spoke of the benefit of the small Country Fairs in fostering and training exhibitors for the large City Fairs.

The reports of the Executive were presented and the financial statement of the Auditor, showed a balance on the right side of \$599.19.

President Cates in his annual address, dealt with marketing problems, and declared that Pools

Board of Trade Active Toward Organization for 50th Anniversary

At an executive meeting of the Macleod and District Board of Trade held on Tuesday evening, March 18th, in the office of President Farnet, there were present:

President Dr. O. Farnet, Messrs. Horner, Lambert, Swinerton, Marks, Sutherland, Hackett, Young, Gries, Ferguson, Mackintosh, Hicks, Whitmore, Morehead, Winter, Heap, Mercer, Gray, Woods, Underwood and Dyke.

The most important business of the session was the consideration of ways, means, and procedure in the carrying to a successful conclusion the 50th Anniversary Pageant to be staged at Macleod in July in honor of the coming to Macleod of the Royal North West Mounted Police, and the consequent growth of the town from police headquarters to present day importance as a prosperous business center—in fact Macleod's 50th Anniversary. After much discussion it was decided that the Anniversary Pageant should be organized on a business footing—an organization for this sole purpose. After dwelling at some length on the importance of the matter to Macleod it was decided to call a public meeting for Monday, March 24th, at 8 p.m., in the town hall to organize in a business way and appoint various committees necessary. It is important that all interested in Macleod and District's welfare should be present and give their hearty support to this important matter.

The Committee reporting on the Tourist Camp had not yet completed their inspection of the Curling Rink as a suitable summer camp for Grain passes to thoroughly clean out all impurities and weed seeds. The days of exorbitant prices for Registered Seed Grain have passed, when explaining the reason that the Plant's prices are down to a reasonable figure. The prices per bushel at the Plant are, Marquis or Ruby Wheat, \$1.75 for 1st generation; to \$1.00 for extra No. 1. Banner and Victory oats for \$1.10 for 1st generation, to 60 cts for extra No. 1. They had cleaned already about 70,000 bushels, and 50,000 has been sold. They are supplying the Alberta farmers first, before shipping to outside points. They have several orders for car load lots from Ontario.

A feature of this Convention was the fact, that no outside speaker had been invited, but we had several excellent addresses from local men, members of our own association, on practical subjects connected with the fair. Mr. John Inman, Inspector, spoke on the classification of Fairs, and how economy could be effected by eliminating from our prize lists all breeds not found in the locality. He spoke against busing the farmer, who won all the prizes were he was the only contestant. He also gave a full list of all the Registered Horses and Cattle in the Dominion, to show how ridiculous it was to put certain breeds in our prize lists.

Mr. Harold Huxley, Lloydminster, spoke on the reduction in the number of Fairs, and Mr. V. E. Forster, Camrose, spoke on "Amusements and Concessions." He told us that at Camrose, they had cut out Horse Racing altogether, and had substituted Baseball, which he said was the cleanest and most profitable game put on the grounds. He was now on the Fairs, telling us he had been offered \$50,000 to allow them one hour in front of the Grand Stand.

More time was devoted this year to discussion, and a large number of resolutions were passed, principally "All Fairs to be open to Alberta pure bred stock." "That all Sheep over one year to have the Registered Ear Tag." "That a pure bred Bull and 3 grade Cows, all the same breed." "That a class be added for Registered Stallions, 3 years old, and that the present class be raised to 4 years and over." "That a class be added for 3 years old Filly or Gelding in the Registered and Draft Grade Horses, and that the present section for 3 years or over be raised to 4 years or over." "That Teams in Harness be hitched to wagon, and to consist of pure bred or grades."

Officers elected for 1924.
Hon. President, Hon. Geo. Hoadley Minister of Agriculture.
Hon. Vice President H. A. Craig Deputy Minister.
President Rufus Cates, Oyen.
Vice President Hugh Mackintosh, Macleod.
Secretary-Treasurer Harold Huxley, Lloydminster.
Directors, North Division, H. Huxley, and J. G. Clarke, Irma for 2 years. Mrs. Armour, Chauven and W. Sutton, Vermilion for 1 year. South division J. Wilson, Inman and H. F. Nestor, for 2 years. R. W. Gardner, Lethbridge and E. L. Richardson, Calgary for 1 year.

A resolution was passed to vest powers of reduction of Fairs in the Executive and Directors, the same to take into consideration the record of the Fair for the past five years. A resolution in token of esteem and appreciation for the services of our late Superintendent Alex G.J. Braith was unanimously passed, and the Secretary was instructed to forward it to him.

Last but not least, the Edmonton Fair Board as usual invited the Delegates to a Theatre Party on the first night of the Convention, which was very much appreciated.

Respectfully submitted by your Delegate:
R. J. E. Gardiner.

Board of Trade Active Toward Organization for 50th Anniversary

At an executive meeting of the Macleod and District Board of Trade held on Tuesday evening, March 18th, in the office of President Farnet, there were present:

President Dr. O. Farnet, Messrs. Horner, Lambert, Swinerton, Marks, Sutherland, Hackett, Young, Gries, Ferguson, Mackintosh, Hicks, Whitmore, Morehead, Winter, Heap, Mercer, Gray, Woods, Underwood and Dyke.

The most important business of the session was the consideration of ways, means, and procedure in the carrying to a successful conclusion the 50th Anniversary Pageant to be staged at Macleod in July in honor of the coming to Macleod of the Royal North West Mounted Police, and the consequent growth of the town from police headquarters to present day importance as a prosperous business center—in fact Macleod's 50th Anniversary. After much discussion it was decided that the Anniversary Pageant should be organized on a business footing—an organization for this sole purpose. After dwelling at some length on the importance of the matter to Macleod it was decided to call a public meeting for Monday, March 24th, at 8 p.m., in the town hall to organize in a business way and appoint various committees necessary. It is important that all interested in Macleod and District's welfare should be present and give their hearty support to this important matter.

The Committee reporting on the Tourist Camp had not yet completed their inspection of the Curling Rink as a suitable summer camp for

Tourists, but it was quite evident from the feeling of those present that this building is not considered a suitable camp. The majority present favored having a camp in the Court House square, or rather in its present location at the base of the Power House Hill.

On a motion of Dr. Kennedy seconded by C. A. Mercer, the Secretary and President were instructed to draw up petitions for signatures regarding the early completion of the grade from Macleod to Waterton Road, these petitions when filled to be forwarded to the Dominion Government, The Canadian National Railroad and the C. P. R. When ready for signature these petitions to be sent to Mr. Harker of Glenwood for circulation in the south country, after which they would be returned to Macleod for further signing.

It was moved by Dr. Kennedy, seconded by J. Hicks that the Macleod and District Board of Trade do not recommend any application for Government or any other position, that is received for recommendation by the Board of Trade.

The Secretary was instructed to write the Secretary of the Lethbridge Northern Irrigation (G. H. Dunning) asking for particulars regarding the placing of fish screens at the inlets of their ditches and artificial water courses.

Treasurer Arthur Young informed the executive that the Macleod and District Board of Trade now has 88 town members and 27 representing the country—all paid up—making a strong aggregation fighting unceasingly in this town's and district's interests.

CHANEY AND VALLI TRIUMPH IN "THE SHOCK" AT CAPITOL

Dynamic Universal-Jewel Production Gives Both Artists Wonderful Opportunity: Picture Tells Story of San Francisco and Earthquake

There are few theatre-goers who will fail to recall the beautiful young girl who shared honors with House Peters and Matt Moore in "The Storm," the Universal-Jewel production of a few months ago that swept the country and was accorded unstinted praise by critics everywhere. The girl was Virginia Villi and as a result of her exceptionally fine work in that production, Carl Laemmle, president of the Universal Pictures Corporation, decided that she was worthy of stardom. She has been signed on a five-year contract by Universal and makes her bow in stellar fashion with "The Shock," the production coming to the Empress theatre on Monday for an engagement of two days.

In "The Shock," Miss Villi shares honors with Lon Chaney, but hereafter she will be starred alone. However, there is enough glory in the latest Universal-Jewel for both players. "The Shock" is a dramatic story of life in that section of San Francisco known as "The Barbary Coast" during the days just preceding the San Francisco earthquake. In order to follow William Dudley Pelley's story exactly, it was necessary to reproduce the earthquake. This was a task that would stagger almost any producer, but Carl Laemmle insisted that it be done, and done right, regardless of expense. Months and months of careful planning and construction work were necessary, but the result is said to more than justify the expenditure.

Just how the result was obtained is a secret that the Universal officials decline to make public. An excellent cast was engaged to support the two noted principals, including such well known players as Christine Mayo, Jack Mower, William Welsh, Walter Long, Henry Barrows, and James Wong.

"FLAMING BARRIERS" SCENES FILMED ON HISTORIC LOCATION

Romantic Story Screened on Banks of Stanislaus River in California

Filmed in Sonora, Cal., one of the oldest and most historic of the California gold towns, George Melford's Paramount production "Flaming Barriers," which comes to the Empress theatre next Friday and Saturday, has for its background a country in which much of the western state's romantic story was developed. When the Foreign Miners Tax Law of 1850, which forced foreigners to pay thirty dollars a month for the right of mining in California, was passed, the principal opposition to it was manifested by Mexicans located in and around Sonora.

Several of the scenes for "Flaming Barriers" were filmed on the banks of the Stanislaus river where, some twenty years ago, one hundred miners banded together to protect their rights of several Chinamen who had been driven off their claim by three giant, long-haired men from Arkansas.

"Flaming Barriers" retains a strong flavor of the old days of the west, although it is a modern story with gripping, fast moving plot. The little town of Burbridge, where most of the action takes place, is a battle ground on which the things of yesterday and the things of today struggle for the mastery. The featured players who appear in this picture are Jacqueline Logan, Antonio Moreno and Walter Hiers.

Macleod's 50th Anniversary Gets Publicity in American Channels

"The Chouteau County Independent," published in Fort Benton, Montana, publishes the following quoted article re Macleod's 50th Anniversary. It is peculiarly fitting that this recognition should come from Fort Benton—as in 1874 and later Fort Benton was the port of call from which adventurers into the great Canadian far west—particularly Alberta as a portion of the North-West Territories—worked their way via the Missouri River to the Fort who thence on by bull train 280 miles to Macleod. Notable amongst those who came by the Fort Benton Route are: D. J. Grier (who served Macleod as mayor for many years); John Heron, ex-M.P., now of Pincher Creek; Buff Heney, A. H. Lynch-Staunton, now of Pincher Creek; Col. Stanford, now of Great Falls, Mont., formerly "Sergeant Jim" of the Royal Canadian North West Mounted Police at Macleod; Isaac May, Jim Bruno, Curly Whitney, Paddy Gallagher, T. H. Stedman, who served Macleod two terms as chief executive; E. H. Maunsell, R. Patterson, ex-M.P.P., S. Stutard, Ed Larkin, Jim Grant, Jack Clark, later mayor of the city of Calgary; Jim Daley, D. W. Davis, who served Alberta two terms in the federal house, elected in 1887, the first representative from Alberta to the Dominion Parliament; and others who have been or are outstanding characters in the annals of history-making in Macleod and district.

Some of the above named western history makers have passed the dividing line between the known and the unknown—these have probably listened to the Omiscient Judge's pronouncement:—"Well done in the face of difficulties; in the spitting out of a modern Caanan." Yet the pioneers who have discovered this land of milk and honey, pass ye to a fitting reward of eternal peace."

AT LAST SOMEONE RISES IN DEFENSE OF HOLLYWOOD

"Most Moral City of Its Size I Ever Saw," Declares Pola Negri

"Hollywood is the most moral city of its size I have ever lived in," says Pola Negri.

"It has more beautiful churches and schools than any city in Europe equal to it in population. Its people have a saner, cleaner outlook and the whole tone of its life is infinitely more wholesome. How it ever got its reputation, I do not know. It deserves to be known as a kind of 'Spotless Town.'"

"The only wickedness which takes place, so far as I can see, is what is done by the players on the studio stages in filming a story. And as a rule, the motion picture teaches one a great lesson, that wickedness does not pay."

Miss Negri plays the role of a Parisian Apache in her new Paramount starring picture by Herbert Brenon. Featured in her support are Adolphe Menjou, Charles de Roche and Huntley Gordon.

"SHADOWS OF PARIS" IS AN ADAPTATION OF THE FRENCH PLAY "MOR HOMME" BY ADRE PICARD AND FRANCIS CARCO AND COMES TO THE EMPRESS THEATRE FOR A RUN OF TWO DAYS ON WEDNESDAY NEXT.

PICTURE OF THRILLS

Enough thrills for a full length series are incorporated in the George Melford Paramount production of "Flaming Barriers," which comes to the Empress Theatre for a two days' run on Friday next, Jacqueline Logan, Antonio Moreno and Walter Hiers are featured players and in the portrayal of their respective roles they accomplish death defying feats such as would put fearless circus performers to shame. Miss Logan pilots an aeroplane over a flaming forest and drives a fire truck over a bridge developed by flames. Mr. Moreno has his hands full in quenching the fire as it licks its way toward a gasoline supply truck, throwing himself full length upon the flames with a soaked mattress, saving hundreds of lives of excursionists who are trapped by the conflagration. These and other thrills gladden distinguish this production.

POLA NEGRI—AN APPRECIATION

"Pola Negri's life has been a series of experiences more dramatic than those of any drama which she could ever play," says Photoplay Magazine. She has known triumph before the age of twenty as an actress, she has been hailed in America as one of the greatest artists of a century.

"And always she has been courted by men."

Even so in her new Paramount picture, "Shadows of Paris," coming to the Empress Theatre next Wednesday and Thursday. It is a Herbert Brenon production—a dramatic love story of Parisian underworld and society life.

HAUNTED VALLEY

Manager Cutler to the Empress Theatre has been fortunate enough to secure dauntless Ruth Roland's most recent Par-theatrical, "Haunted Valley," for first-run in this province and will present the first episode at the Empress Theatre next week. The title of the opening chapter is "Bound to the Enemy" and it promises to be the last word in excitement and thrills.

Ruth Roland is always a favorite and in "Haunted Valley" she is certain to win a host of new admirers. Appearing as Ruth Ranger, the last member of a family that for generations has controlled a great engineering business throughout the West, she has been given new opportunities for her splendid work. The story hardly gets under way when things begin to happen with plots, counterplots and intrigues winding themselves around the hero and heroine.

CARD OF THANKS

Charles Pendleton wishes to thank the many friends who extended so many kindnesses to him during his illness during the past winter.

SETTLERS FOR LETHBRIDGE NORTHERN

The vanguard of new settlers from Europe for the Lethbridge Northern is on its way.

E. H. Hann, trustee of the Lethbridge Northern Irrigation district, arrived in St. John, N. B., on Friday, with 28 settlers, according to a special dispatch to the Herald from that port. The dispatch follows:

"E. H. Hann, a trustee of the Lethbridge Northern Irrigation district, who went to Europe as a special representative of the Alberta Government, was a passenger on the Canadian Pacific S. S. Melita, which docked at St. John, N. B., Friday. He brought with him 28 new settlers, nine from Switzerland and 19 from Holland. All are experienced farmers and are considered highly desirable settlers for the Lethbridge Northern district."

Mr. Hann said that, if these new Canadian settlers are satisfied with Canada, they will serve as the forerunner of a large movement of immigrants from both Switzerland and Holland. He pointed out that their knowledge of farming and the fact that they had some financial resources, made them ideal settlers for the prairie provinces."

Marquis. Out of the twenty-five
prizes awarded in the hard red spring
wheat class, twenty-one went to the
Marquis variety, two to Kitchener,
which is a selection out of Marquis,
and one to Ruby which is cross-bred

In the oat class, most of the win-
ning samples were of the Victory and
Banner varieties. These varieties
while not of Canadian origin, have
been developed considerably by
members of the Canadian Seed

Twenty-eight out of a total of thirty-

In the two-rowed barley class, the

WEDDING BELLS

One of the prettiest weddings
sponsored in Macleod district for
some time past, took place at St. Paul's
Church when Florence Marjory
daughter of Mr. and Mrs. Luke Wood
of Macleod, was united in marriage
to E. Kluzak of Climax, Sask. The
ceremony was conducted by the Rev.
S. H. Middleton, of St. Paul's, the
bride was given away by her father
and attended by Miss Smith as
bridesmaid. After the wedding a
breakfast was given at the Mission,
when a large number of guests sat
down. The bridegroom was supported
by W. Wood as best man. The happy
couple left for Lethbridge by the
noon train, where they will spend
their honeymoon, after which they
will proceed to their home near
Climax, Sask.

Mrs. Kluzak, nee Miss Wood, was
one of the best known and most
popular young ladies in the southern
district. For the past four years she
has been engaged as Matron at St.
Paul's Indian School, where her work
and service was more than appreci-
ated both by the Principal and her
fellow workers. She was a keen horse-
woman, and her ability in this direc-
tion has often been witnessed, in her
riding andockeyship on the Macleod
racetrack.

The newly married couple were the
recipients of a large number of
beautiful wedding presents from their
many friends and acquaintances.

Bar and Mr. Brittain. The consol-
ations were carried away by Miss
Johnson and Mr. Lockhart. Im-
mediately after cards dancing began
and continued until the early hours of
the morning, at midnight refresh-
ments were served and an impromptu
concert was given by Messrs. E.
Bodger, Cofeld and Bagley. Mr.
Bagley delighted the crowd with a
sword dance. Many old time dances
were danced which were enjoyed as
much by the onlookers as the dancers.
Whether it was in honor of St.
Patrick or the Weather, the Macleod
crowd was the largest that the school
has held for some time. Among those
noticed were people from Macleod,
Waterton, McBride, Orton, Glenwood-
ville and other districts unknown.
The Ardenville School house is get-
ting ahead of most of the young
ladies in wearing its new spring
dress. The interior of the school has
been washed and varnished and the
result is such that even the clock has
a cherrier tick. Wonderful what a
little soap and water followed by
varnish will do.

CELEBRATE 17th IRELAND

"Sons and Daughters of the
Emerald Isle celebrated the birthday
of their Patron, Saint Patrick, the be-
loved Irishman who drove all the
devils and banshees out of Ould Ire-
land, sure and he did and he did".
The local Irishites gathered to-
gether in the Oddfellows Hall in Mac-
leod during the afternoon and even-
ing of the 17th and exchanged greet-
ings of the occasion. In the afternoon
the R. C. Ladies Aid held a Pantry
Tea, which was well attended, while
the music furnished by The Macleod
Band Orchestra was very much en-
joyed.

In the evening a whist drive and
concert was held under the auspices
of the Young Mens Catholic Club,
there were over 25 tables and the
following were the lucky winners of
the prizes. Ladies First, Miss Thomas;
no consolation. Mrs. Reddy. Gents—
First E. H. Oliver; consolation O. J.
Woods. The concert program was
very much appreciated. The Rev.
Father Rouleau played some pretty
Irish selections on his violin, ac-
companied by Mrs. Huntley on the
Piano; C. K. Underwood amused the
large audience with several witty
monologues, which were well re-
ceived. Walter Walsh gave two ex-
cellent recitations, while in the
characterization of Uncle Josh, Frank
Wintermute was unexcelled; his danc-
ing and amusing monologue of this
celebrated "hick" that he imperson-
ated brought down the house. Mr.
Wintermute was accompanied on the
piano by Mr. Underwood.

EMPRESS FRIDAY & SATURDAY

A Wonderful Sight

Two young surveyors, working in
a Louisiana swamp, spied what they
at first thought was a hoop snake;
but at second glance they saw that
two snakes, each with the other's
tail in its mouth, were strenuously
trying to swallow each other.

On reaching camp that night, they
told their snake story to the cook,
a greyhaired veteran of the
swamps.

"That was a mighty curious sight,
boys," said the old man, "a mighty
curious sight. I reckon you wouldn't
have believed it if you hadn't seen
it, would you?"

"Probably not," agreed the boys.
"Well," said the old man, "I didn't
see it."

Had Occasional Faint-
ing Spells

Dreco, the famous herbal health-build-
er, makes big difference in condition
of Mr. John Holmes.

The remarkable tonic properties of
Dreco are again demonstrated in the
case of Mr. John Holmes, of Searlett
Road, Toronto, a returned soldier.
When health was in a precarious con-
dition until Dreco came to help him.
Here is Mrs. Holmes' statement of the
case:

"My husband, who was a Corporal
in the 10th Battalion, Railway Troops,
underwent an operation for appen-
dicitis and gall stones upon his return.
He has never had the same strength
since.

He suffered from pains shooting
through his body and also had an oc-
casional fainting spell, his heart being
in a very weakened condition. He was
very nervous and felt tired all the
time. His work as a teamster took
considerable energy and his system
became entirely run down.

He has taken only two bottles of
Dreco, but it is surprising how much
better he is feeling already. He rests
better and hasn't the tired out feel-
ing. Pains through his body are
greatly improved."

Dreco tones and strengthens the
whole system and improves the health
generally. It acts on the important
organs of digestion and puts them in
proper working order. Dreco con-
tains no mercury, potash or habit-
forming drugs. It is a reliable
remedy made only from herbs, roots,
bark and leaves of known medicinal
value.

Dreco is being specially introduced
in Macleod by A. D. Ferguson, and is
sold by a good druggist everywhere.

What Does This Trade Mark Mean?

You will see this shield-shaped trade mark
in hardware stores everywhere. You won't
see it on cheap, inferior goods. It goes
only on household utensils of the highest
quality, yet selling at moderate prices,
because of the tremendous quantities sold
each year.

Choose cooking and baking utensils that
carry this trade mark. Choose SMP
Enamelware, with its very hard, smooth
surface. Heats faster, cleans easier, im-
parts no metallic flavor, causes no danger-
ous acid re-actions. Ask for

Alberta Leads All Provinces

Average value per farm of field and
fodder crops produced in Alberta in
1923 was higher than in any other
province in Canada, according to a
table prepared by the publicity
branch of the department of agricul-
ture. The figures are based on the
latest revision of the number of farms
as shown in the 1921 census.

The figures used for Alberta values
are those compiled by the Provin-
cial Department of Agriculture, and
are the latest available. The figures
for other provinces are those issued
by the Bureau of Statistics, Ottawa.
With a total value of field and fod-
der crops in 1923 of \$171,026,804,
and a total of 82,000 farms occupied
as shown by the 1921 census, Alberta
is thus shown to have an average
value per farm of the above crops of

\$2,085.60. Saskatchewan's nearest
rival with respect to value of 1923
crops, shows an average value of
\$2,025.00 per farm.

Many Settlers Coming
According to reports reaching Ed-
monton from reliable sources, it is ex-
pected that a large party of Swedish
settlers will arrive in Alberta shortly
from the old land, and will be dis-
tributed from Edmonton. Most of
these settlers, it is stated, have cer-
tain financial resources, and are pre-
pared to buy farms. During the com-
ing year, it is stated that some 5,000
of these settlers will come to northern
Alberta.

Hutterites Buy Land
Three thousand acres of land south
east of Lethbridge have recently
been purchased by a new colony of
Hutterites, at a figure which is stated
to be \$90,000.

Large Mills For Alberta
A British paper, the Western Mail,

the statement that Spillers, the large

the coming year. It is also under-
stood that this firm is negotiating for
the erection of elevators at the Pacific
Coast to handle Alberta wheat.

THE LEAGUE OF NATIONS

The readers of the Macleod Times
may be interested in hearing some-
thing about the League and what it
has accomplished. What is the
League of Nations? It is a solemn
covenant entered into by at first 14
nations, now grown to 54, earnestly
trying to solve the problem of the
safety of civilization and the pre-
servation of the world's peace. At
the conclusion of the war the map of
Europe was changed. Different
distinct nationalities, which had been
subject for centuries to Russia, Ger-
many, and Austria, were formed into
independent States. One wonders
what would have been the result, had
there not been such an effective and
authoritative organization to settle
by peaceful means, disputes which
must inevitably arise. There were
two kinds of machinery created at the
Peace Conference. One for making
peace treaties and enforcing them,
consisting of The Supreme Council of
Allied Powers, The Conference of
Ambassadors at Paris, and the
Reparations Commission. The other
machinery for mitigating the peace
treaties and the maintenance of
future peace was The League of
Nations.

A prominent American writes: "I
wish that every one of my country-
men could have the experience I had
a few weeks ago at the League Head-
quarters, studying its organization
and attending a meeting of the
Council of the League. It is the
liveliest, finest, and I might say the
most unselfish organization working
for the brotherhood of man that I
have seen." The League is for the
bettering of conditions both national
and international, and the whole idea
of the League involved the element of
National Sacrifice. The Archbishop

of Caulerbury defines the League as
an effort to establish the Kingdom of
God on earth. "When we consider
its aims, its possibilities and its re-
solves, it would seem to be so. The
League accepts as a sacred trust
"supervision of agreements in re-
gard to traffic in women and children,
and traffic in opium and other
dangerous drugs, also to take steps
to control and prevent disease." It
agrees "to endeavor to secure humane
conditions of labor for men and
women and children." The Nations
agree for the first time in human
history to the definite "principle that
the will being and development of
backward or child peoples, not yet
able to stand by themselves under the
strenuous conditions of the modern
world, form a sacred trust of civiliza-
tion." When before have 54 Nations
bound themselves as in article 10 of
the covenant "to respect and pre-
serve against external aggression the
territorial integrity and existing
political independence of all members
of the League." In article 12 "The
members of the League agree that if
there should arise between any of
them any dispute likely to lead to a
rupture, they will submit the matter
either to arbitration or to inquiry by
the Council." Article 16 provides the
means by which the decisions of the
League can be enforced. "Should any
member of the League resort to war
in disregard of the covenant, it shall
be deemed to have committed an act
of war against all the members of the
League, which hereby undertakes
immediately to subject it to the
sovereignty of all intercourse between
their Nationals and the Nationals of
the covenant breaking member of the
League, and the prevention of all
financial, commercial or personal
intercourse between the Nationals of
the covenant breaking member of the
League, and the Nationals of any
other state whether a member of the
League or not."

The League consists of an
Assembly, a Council and a permanent
Secretariat. The Assembly consists
of one representative from each
nation and meets once a year. The
Council is formed of one representa-
tive from Great Britain, France, Italy,
Japan and (at present) six others
chosen by the Assembly. It meets a
number of times during the year.
Except when otherwise provided, de-
cisions at any meeting of the As-
sembly or Council shall require an
agreement of all the members of the
League represented at the meet-
ing. Domestic affairs of members of the
League will not be interfered with.
The Council determines whether the
dispute is a domestic affair or not. It
was provided that "all parties under
or in connection with the League in-
cluding the Secretariat shall be equal-
ly open to men and women." The
seat of the League is at Geneva,
where the permanent Secretariat oc-
cupies an immense building on the
shore of the lake. There 350 men and
women gather information and assist
the different commissioners and com-
mittees, which carry out the purposes
of the League. The principal of these
are: disarmament, financial and eco-
nomic, health, opium traffic, man-
dates, international blockade, epidem-
ics.

The nations outside the league at
present are: Afghanistan, Dominican
Republic, Ecuador, Germany, Mexico,
Russia, Turkey, United States. Tur-
key has applied for admission and is
expected Germany will be brought
in. Should Russia and the United
States sign the covenant the menace
of war in the near future would be
removed.

The covenant of the League of
Nations formed part of the Treaty of
Versailles and was signed by 14 na-
tions headed by the United States.
With one exception the government
of those nations endorsed the action
of their representatives. The United
States repudiated the action of their
president and withdrew from the
League, and ever since has refused
to co-operate with it in its efforts to
prevent war. Individual citizens of
the United States have been, or are
now engaged in the work of the Le-
ague. The first meeting of the Le-
ague was held in January 1920 and
that year was spent in getting its ma-
chinery in working order. An Inter-
national Labor Convention was
formed and arrangements for the
establishment of a permanent court
of International Justice in conformity
with article 14 of the covenant. The
expenses of the Labor Convention
and International Justice are borne
by the League. The cost of carrying
on the League is nearly \$5,000,000.00
a year. One is not surprised to
learn that the patient burden bearer,
the British tax payer, contributes
\$2,000,000.00 of that. The cost to Can-
ada is two cents a head. A cheap
insurance against war. In the next
issue of this paper an Attempt will
be made to show what the League
has done.

STELLAR PERFORMANCE OF MACLEOD MINSTRELS

"The best yet"—that is the general
opinion heard on all sides, of the
large audience that witnessed the
performance of the Macleod Min-
strels, who gave their first perform-
ances of amateur thespians in this
Town, but never before has the pro-
fessional touch, been so closely ex-
emplified as at the show this week. On
Wednesday afternoon the Macleod
Band lined up on Main Street, and a
real old time Darkie Nigger Show
parade proceeded round Town much
to the delight of Skinny and his little
pals, not forgetting Skinny's parents
who enjoyed the parade and music
every bit as much, if not more. In
the afternoon a matinee was held for
the kiddies, and anyone who don't
think they had a good time, they
should have been there to hear the
yells.

At 8.15 sharp the curtain rose to a
capacity house in the evening, and it
was quite evident by the splendid
reception each artist received that
the listeners were delighted. The
first half of the program was the old
fashioned nigger circle, comprising
four corner men, interlocutor, and the
others, who delighted the audience
with plantation melodies, comic qua-
rettes, jokes and variety turns. A
new innovation was the appearance of
the Macleod Band Minstrels Mascot,
a little fellow of six years of age, who
sang, and acted equally as well as
the grownups, needless to say the
huge audience gave the little fellow,
a wonderful hand at every appearance.

The second half of the program
was splendid, and a variety program
of equally excellent vaudeville, has
not been seen in Macleod for many a
long day, each and every turn de-
serves the greatest of credit, and the
whole program from start to finish
was one that will be pleasantly re-
membered by all who were fortunate
enough to hear the Macleod Band
Minstrels and Variety Program.

The proceeds of the concert are to
go to the Macleod Band, which said
aggregation, under the leadership of
Conductor Edgar deserve all the
assistance and help they can get, for
Macleod now has the best brass band
in Southern Alberta, and it's some-
thing to be more than proud of.

The musical direction was under
the leadership of J. Edgar with Miss
J. White presiding at the piano.
The credit of production and stage
effects of the entertainment are due
to C. K. Underwood, who also wrote
the opening and closing choruses,
gags, and the quartette sung by the
cornermen.

The program was as follows:
First half. Minstrel Troupe Caste
Int. S. Heap. Rt. Corner Men. C. K.
Underwood and Alf Hart; Left Cor-
ner. Cecil Lewis and Ding Hart;
Mascot, Master "Jimmy" Underwood;
Serio, Messrs. N. Hart, J. Davis, F.

Second Half. J. Ridley in character
songs; Comic Sketch by Bones Sambo,

Endorsed By Fleet Owners

In almost every business where fast
and economical delivery service is a
factor, Ford trucks have established
an enviable reputation.
The experience of Robert Simpson
Company Limited, is a typical example.
The Robert Simpson Company
operates one of the largest truck fleets
in Toronto, 55 Fords.
This fleet has proved so satisfactory
that it is being constantly enlarged;
so practical and economical in oper-
ation that during the past five years not
a single car or truck has been traded in.
The prompt and efficient delivery
system which is an inseparable part
of this store's service to the public is large-
ly due to the flexibility and staunch
endurance of this Ford delivery fleet.
The Ford has the confidence of its
users. That's why there are so many

J. Bowden was eighty years of age (he don't look it) on Tuesday, March 11th, 1934. A number of Mr. Bowden's friends met with him at the family residence on the occasion when a most enjoyable evening was spent in cards and reminiscent conversation.

Amongst the many successful auction sales conducted by R. L. Hackett lately may be mentioned the sale of furniture for W. F. Fleming, and of implements, stock and furniture for Messrs. Matheson, Weaver and Inkster—all four of which drew spirited bidding and realized fair prices.

Macleod Radio fans who tuned in Thursday, 13th no doubt heard the concert from Los Angeles, will remember of a solo that was rendered by Mrs. R. Kennedy, formerly of Lethbridge, who is Mrs. W. J. Ryan's sister-in-law. Her voice was distinctly clear and easily recognized by those who heard her.

Little Miss Jane Duxbury Pringle, daughter of Mr. and Mrs. John Pringle, celebrated her twelfth birthday on Saturday, March 15. Guests at the birthday party were: Geraldine Stewart, Margaret Reid, Isabelle Caillie, Margaret Hamilton, Jean Ringland, Florence Baker, Hazel Brewster, Irene Tweed, Ruth Armer, Gladys Gooney, and Bertha McNab. The merry party enjoyed themselves at juvenile games—singing—musical selections and dancing till an appropriate hour for such young folks to report to their respective home folks. Needless to say the young guests of Miss Jane enjoyed themselves immensely—Mrs. Pringle contributing to the pleasure of their evening by a dainty supper at which a beautiful birthday cake with twelve candles—one a year for Miss Jane's

SPRING MILLINERY OPENING MARCH 14 & 15

MISS A. M. WILSON

sojourn in this only world—was the piece de resistance.

Chas. F. Harris and Fred Thael, of Lethbridge, were Macleod visitors today (Thursday).

H. W. Bright and Phil Tolley attended the annual convention of the Municipal Hall Board held at Calgary on Wednesday of this week.

The Cozy Corner Candy and Variety Store has been redecorated and looks even more cheerful and cosy than usual. Eddy Grant did the work in his usual artistic manner.

Mr. and Mrs. Gerald F. Beere, of Calgary, formerly of Macleod, announce the engagement of their daughter Doris to the Rev. F. A. H. White, B. A., Rector, Castleland, County Kerry, Ireland, son of the late Rev. J. S. White, B. A., formerly Rector of Castleland, County Kerry and of Mrs. White, Bray, County Wicklow.

On Wednesday, March 19th the members of Christ Church W. A. were "At Home" to the ladies of the Congregation, when Mrs. Willis James of Calgary was the guest of honour. Mrs. A. W. Bawden, the President, received the guests with Mrs. James. Mrs. Foster Brown and Mrs. Greenwood poured tea which was served by the daughters of the members. Mrs. O. J. Wood added greatly to the pleasure of the occasion by the rendition of several piano selections during the tea hour. Afterward Mrs. James, who is the President of the Women's Auxiliary for the Diocese of Calgary gave a most interesting and inspiring address on the work of the Women of the Church throughout Canada, pointing out what a great privilege it is to have a share in helping to lay the foundation of the Kingdom of God in a new country like this great Canadian West.

"The Problems of Suffering" will be the general theme in a series of expository sermons to be given at the morning service as follows: March 23rd "The Book of Job"; March 30th "The Suffering Servant"; Isaiah 53: 1-12; April 6th "The Suffering Ages," Romans 8: 14-37; April 13th "The Suffering Saviour," John 14-16. The subject for discussion next Sunday evening will be "The Power and Peril of Youth," a message of special interest to parents and young people.

COMMISSIONER GRAHAM VISITS MACLEOD

Indian Commissioner Graham of Regina, who is supervisor and Commissioner of all the Indian Reservations in the West was a visitor to Macleod for several days this week. During his visit he was the guest of Indian Agent J. T. Faunt and the Rev. S. Middleton, Principal of St. Paul's Indian School. While here the Commissioner inspected the new agency building and also the site for the large new Indian Collegiate, the erection of which will shortly be commenced. The site chosen and approved of, is on the South end of the Reserve within a few miles of Cardston, and the new Agency Buildings. Commissioner Graham left for Regina on Wednesday night.

W. I. MEETING

The regular monthly meeting of the Women's Institute was held in the I. O. O. F. Hall, March 18th. Forty-three members and fifteen visitors were present. Roll call was answered by giving an Irish story. Current events were read by Mrs. Perry on Radio.

The musical number was given by

the Misses Dufour which was enjoyed by all.

Miss Muir gave a paper on "The League of Nations" which was both interesting and educational. It is the intention of Miss Muir to give a series of these papers which will be published in the Macleod Times.

Mrs. J. B. Sutherland the delegate to the District Convention held at Lethbridge read her excellent report, giving full details. The members of the Institute are to be congratulated in choosing a delegate who brought back such an enthusiastic report of the work of the Institute.

Tea was then served Mesdames Watson, Bell, Coffey and Wall were hostesses for the occasion.

A demonstration of the making of organdie, wool and paper flowers will be given at our next meeting.

In the account last week, referring to the "Pussy Willow Tea," held by the Women's Institute the part describing the musical part of the afternoon should have read as follows:—During the afternoon, much pleasure was given by musical numbers—A song "Lullaby" sung by Mrs. R. W. Clark, accompanied by Mrs. (Rev.) Armstrong. "Just a wearyin, for you" sung by Mrs. (Rev.) Kennedy accompanied by Mrs. F. Morris. Mrs. Morris also sang several numbers. All of these were much appreciated and enjoyed.

Another PRICE Suggestion Biscuits, Buns and Rolls

BISCUITS! What de-light this word suggests. So tender they fairly melt in the mouth, and of such glorious flavor that the appetite is never satisfied. These are the kind of biscuits anyone can make with Dr. Price's Cream Baking Powder and these unusual recipes:

(All measurements for all materials are level.)

BISCUITS
2 cups flour
4 teaspoons Dr. Price's Baking Powder
1/2 teaspoon salt
1/2 cup milk or half milk and half water
Sift together flour, baking powder and salt, add liquid slowly to make soft dough, roll or pat out on floured board to about one-half inch in thickness (handle as little as possible); cut with biscuit cutter. Bake in hot oven 15 to 20 minutes.

CINNAMON BUNS
2 1/2 cups flour
1/2 teaspoon salt
4 teaspoons Dr. Price's Baking Powder
2 tablespoons shortening
1 egg
1/2 cup water
1/2 cup sugar
1/2 cup cinnamon
4 tablespoons melted raisins

DR. PRICE'S CREAM Baking Powder

Made from Cream of Tartar, derived from grapes. Pure, wholesome and unvarying in strength. Raises the dough perfectly.

MADE IN CANADA

Sift 2 tablespoons of measured sugar with flour, salt and baking powder; rub shortening lightly; add beaten egg to water and add slowly. Roll out 1/4 inch thick on floured board; brush with melted butter, sprinkle with sugar, cinnamon and raisins. Roll as for jelly roll; cut into 1 1/2 inch pieces; place with cut edges up on well-greased pan; sprinkle with a little sugar and cinnamon. Bake in moderate oven 30 to 35 minutes; remove from pan at once.

PARKER HOUSE ROLLS

4 cups flour
1 teaspoon salt
6 teaspoons Dr. Price's Baking Powder
2 to 4 tablespoons shortening
1 1/2 cups milk

Sift flour, salt and baking powder together. Add melted shortening to milk and add slowly to dry ingredients stirring until smooth. Knead lightly on floured board and roll out 1/4 inch thick. Cut with biscuit cutter. Crease each circle with back of knife one side of center. Butter the small section and fold larger part well over the small. Place one inch apart in greased pan. Allow to stand 15 minutes in warm place. Brush each with melted butter and bake in moderate oven 15 to 20 minutes.
